Copyediting, a Practical Guide Karen Judd, 1990 Filled with sound practical advice this book is a must if you wish to become an effective copyeditor Copy Editing Karen Judd, 1989-08 The Sell Your Novel Tool Kit Elizabeth Lyon, 2002-12-03 **ENHANCE YOUR CHANCES OF GETTING YOUR NOVEL PUBLISHED WITH THIS ONE OF A KIND GUIDE** Writers often spend years perfecting their first novel then hit a dead end when it comes to getting it published Learning to market your novel will make it stand out from the thousands of other books clamoring for the attention of an ever shrinking number of publishers In this book Elizabeth Lyon offers the wisdom of more than twenty years of experience as an author book editor writing instructor and marketing consultant Step by step she details what editors want what questions to ask them and how to develop a marketing strategy You will learn How to categorize your novel and the sixteen ways of describing it Nine ways of selling your novel Descriptions of the jobs of literary agent editor and writer Examples of actual story synopses and successful query letters in all the genres How to prepare sample chapters Thirty questions a writer needs to ask a prospective agent **Nonfiction Book Proposals Anybody can Write (Revised and Updated)** Elizabeth Lyon, 2002-12-03 Sign the contract then write the book The good news is that almost every nonfiction book published is sold by a proposal In this comprehensive yet accessible guide you will learn exactly what a proposal is what it must contain and how to pull yours together into an informative persuasive selling package Already a favorite for thousands of aspiring writers this book has been revised and updated by Elizabeth Lyon to feature nearly two dozen actual proposals plus Choosing a topic based on current trends and competing titles Drafting the perfect concept statement daring agents and editors to reject you Defining and targeting your readership then connecting with them Preparing a table of contents and chapter summaries Submitting exciting and well written sample chapters Writing query letters Devising a marketing plan that will excite agents and publishers **The Complete Canadian Book Editor** Leslie Vermeer, 2016-08-31 The essential resource for aspiring and professional editors Whether you are a student of the craft or a working editor you need The Complete Canadian Book Editor From building and managing author relationships through acquiring and developing manuscripts to every level of text editing and proofing for print and ebooks editors play integral roles in the operations of a book publishing house In The Complete Canadian Book Editor veteran editor and professor Leslie Vermeer sets out both the concepts and the processes that an effective editor must command Dr Vermeer guides aspiring editors in presenting themselves successfully to employers and clients and working editors will recognize the voice of a mentor in her advice about career advancement Editors at all levels along with authors and self publishers will find in The Complete Canadian Book Editor all of the step by step editorial tools they need to take projects from promising beginnings to their full potential With exercises throughout The Complete Canadian Book Editor reinforces key concepts and builds your skills as an expert editor Topics include Manuscript acquisition and book contracts Editorial stages from development to proofreading Design and production including digital

workflow What every editor needs to know about marketing The state of book publishing in Canada today The future of publishing and why editors are more important than ever before **The Chicago Guide to Copyediting Fiction** Amy J. Schneider,2023-03-10 A book world veteran offers the first copyediting guide focused exclusively on fiction Although The Chicago Manual of Style is widely used by writers and editors of all stripes it is primarily concerned with nonfiction a fact long lamented by the fiction community In this long awaited book from the publisher of the Manual Amy J Schneider a veteran copyeditor who s worked on bestsellers across a wide swath of genres delivers a companionable editing guide geared specifically toward fiction copyeditors the first book of its type In a series of approachable thematic chapters Schneider offers cogent advice on how to deal with dialogue voice grammar conscious language and other significant issues in fiction She focuses on the copyediting tasks specific to fiction such as tracking the details of fictional characters places and events to ensure continuity across the work and provides a slew of sharp practicable solutions drawn from her twenty five years of experience working for publishers both large and small The Chicago Guide to Copyediting Fiction is sure to prove an indispensable companion to The Chicago Manual of Style and a versatile tool for copyeditors working in the multifaceted landscape of contemporary fiction **A Practical Guide to Localization** Bert Esselink,2000-01-01 Translation technology has evolved quickly with a large number of translation tools available In this revised addition much content has been added about translating and engineering HTML and XML documents multilingual web sites and HTML based online help systems Other major changes include the addition of chapters on internationalizato software quality assurance desktop publishing and localization support There is a focus on translators who want to learn about localization ad translation technology

Write and Wrong Marthy Johnson,2006-06-01 English is a blend of passion and logic except in spelling which has nothing to do with either Language is a set of conventions some of them sensible and some accidental Usage is not so much a question of what is right or wrong as of what is or is not accepted Accepted by whom By the experts and the committees and the advisers and the authorities the stylists and the grammarists bless them who write dictionaries style guides textbooks handbooks and grammar books in seventy five volumes They set limits decide who has wiggle room and where Academic writing operates in solitary confinement Technical writing is medium security business writing a work release effort Next to them creative writing is a resort The only writing manual most writers will ever want or need **The Copyeditor's Handbook** Amy Einsohn,Marilyn Schwartz,2019-05-14 The new updated edition of the handbook that should be on every copyeditor s desk Unstuffy hip and often funny The Copyeditor s Handbook has become an indispensable resource both for new editors and for experienced hands who want to refresh their skills and broaden their understanding of the craft of copyediting This fourth edition incorporates the latest advice from language authorities usage guides and new editions of major style manuals including The Chicago Manual of Style It registers the tectonic shifts in twenty first century copyediting preparing text for digital formats using new technologies addressing global audiences complying with plain language

mandates ensuring accessibility and serving self publishing authors and authors writing in English as a second language The new edition also adds an extensive annotated list of editorial tools and references and includes a bit of light entertainment for language lovers such as a brief history of punctuation marks that didn't make the grade the strange case of razbliuto and a few Easter eggs awaiting discovery by keen eyed readers The fourth edition features updates on the transformation of editorial roles in today's publishing environment new applications processes and protocols for on screen editing major changes in editorial resources such as online dictionaries and language corpora new grammar and usage authorities online editorial communities and web based research tools When you're ready to test your mettle pick up The Copyeditor's Workbook Exercises and Tips for Honing Your Editorial Judgment the essential new companion to the handbook *Getting It Published* William P. Germano, 2010-10-21 Since 2001 William Germano's *Getting It Published* has helped thousands of scholars develop a compelling book proposal find the right academic publisher evaluate a contract handle the review process and finally emerge as published authors But a lot has changed in the past seven years With the publishing world both more competitive and mor
